Re: *Garcia v. Wheeler*, 19 Civ. 8482 (LJL)

Dear Judge Liman:

This Office represents Andrew Wheeler as Administrator of the U.S. Environmental Protection Agency (“the Government”), the defendant in the above-referenced employment discrimination case. We respectfully submit this letter seeking a further adjournment of next week’s initial pretrial conference, in lieu of a proposed case management plan, because mediation in this matter is ongoing.

LEWIS J. LIMAN
United States District Judge

This case was automatically referred for mediation under Standing Order M-10-468 in December 2019. A mediation conference was held February 6, 2020. Since that time, the parties’ conversations with the mediator have continued, and the parties are continuing to explore whether a resolution other than litigation may be possible in this case.

Accordingly, we respectfully request an adjournment of the initial pretrial conference scheduled for May 29, 2020 at 10:00 a.m. Plaintiff previously submitted two requests for adjournment of the conference due to ongoing mediation, which the Court granted. We attempted to consult with Plaintiff before submitting this letter, but we were unable to reach them in time for today’s deadline. We propose submitting a further status letter by June 19, 2020.

We thank the Court for its consideration.

Respectfully submitted,

GEOFFREY S. BERMAN
United States Attorney
